Christian School

As a Christian school we base our values and expectations on Christian values. This year's values have been devised in consultation with the pupils. These are promoted through Worship as well as being part of our daily practice within the classroom and beyond. We encourage pupils to adopt these values for life; not just within our grounds.

Part of our Christian distinctiveness is that we meet as a school community to Worship on a daily basis. During Worship, we talk about how we can live as Jesus would want us to, based on his teaching, discuss how to develop our school values, pray together and sing songs as an additional form of celebration. All pupils are expected to join in Worship. Recently, some pupils have refused to join in as they are not 'Christians'. As parents, you have chosen to send your child to a Christian school which means that you are sympathetic to our ethos and beliefs; therefore we would appreciate your support in encouraging your child to take part.

SPORTS NEWS

Football Cup Game: CSL 1 v Hillingdon Primary 3

The sportsmanship and attitude was outstanding in this week's Cup Match. Unfortunately we didn't progress through to the next round but the boys showed great effort and will continue in the league next week.

Player of the Match: Alfie Gibbons

Netball: CSL 7 v St Bernadette's 3

It was an incredible win from all the girls beating a well organised and strong St Bernadette's team. The match was intense throughout all 4 quarters but Cowley dominated possession which enabled great areas for shooting opportunities.

An absolutely fantastic performance and a massive improvement from last year.

Player of the Match: Ellicia Scarlett

No parking

There is **NO PARKING** for parents or carers on the school site, unless prior arrangement has been made.

Psychologists Research

We are excited to be supporting a Psychology student from Brunel with their dissertation. They are researching how pupils receive the thoughts of others. Fifty pupils from Reception to Year 2 will spend 20 minutes in a 1:1 situation with the student. Safeguarding is our main priority and all DBS checks will be in place to ensure the safety of our pupils.

If your child is selected, they will bring home an information sheet and permission form on Monday.

Please can they be returned by Friday 10th November so that the research can start as soon as possible?

We thank you in advance for your continued support
