Empowering Minds - Nurturing Hearts - Journeying in Faith and Purpose

Thought of the Week

This week we have continued to think about the miracles of Jesus with the story of Lazarus.

The story of Lazarus from John 11:38-44 is a tale of unwavering hope and faith. Despite Lazarus being dead for four days, Jesus arrives at the tomb with a calm assurance. He instructs the removal of the stone covering the tomb and prays to God. Miraculously, Lazarus emerges alive.

This story teaches us the importance of never losing hope, even in the darkest times, and the power of faith in miracles. It helps us to believe that with Faith in Jesus, anything is possible.

The story reassures us that we are never alone, as Jesus is always with us.
